We are an Executive Search Firm.

We currently have two Materials Management positions for which we are conducting searches. I am requesting your assistance regarding these positions. Below is a very brief description of the positions.

Please feel free to share this information with your membership and also feel free to post it on your APICS Chapter website.

Division Director of Materials and Distribution. Base salary \$110-120 + bonus 20% to 45%. The bonus has an excellent track record and paid at the target of 20% for 2009. Location Western Michigan. Large, multi plant, high volume sheet metal fabrication, stamping and assembly division. Well run operation. Strong parent company. Responsible for Materials, Distribution and Purchasing. Between \$400 and \$500 million annual sales volume. Travel is required, but the plants are all in North America.

Materials Manager. Base \$110 to \$120 + bonus. Wisconsin. Responsible for materials and plant level purchasing with heavier emphasis on the Materials/Systems side. Metal fabrication experience required. APICS certification preferred.

Please feel free to call or email with any questions you may have.

Thank you for your assistance.
